

## GDPR

All personal data is processed in accordance with the legislation applicable at each time. From and with 25 May 2018, personal data is processed in accordance with the new data protection regulation.

Skiathos Dog Shelter stores personal data in order to fulfill the relationship with you. By providing your personal data, you agree that we store and process these.

We primarily collect information directly from you or information provided by you. Skiathos Dog Shelter stores your data as long as your personal record has some type of connection in our personal register. This can be connections such as you and your to be adopted dog. Or to receive updates from us in Newsletter or emails.

The personal data may be used for digital marketing on social media and on our website in the form of the name and picture of your dog.

If you have questions regarding your personal data, you are welcome to contact us and you can also request correction or request that your personal data be deleted.
